

2009 – 2010 AVID COORDINATOR WORKSHOPS

Critical Reading: Deep Reading Strategies for Expository Texts

by Jonathan LeMaster

We are embarking on a series of workshops for 2009-10 that will build upon one another. The workshops will incorporate a **three-part book study** based on *Critical Reading: Deep Reading Strategies for Expository Texts* by Jonathan LeMaster. We will continue to offer **grade level breakout strands** for teachers to promote systemic change and to refine the AVID elective.

- Jonathan LeMaster will be the keynote speaker for the first and second workshops.
- Site Teams are encouraged to attend all three workshops as they will build upon their knowledge in this three-part series.
- Administrators are welcome to attend all three workshops with your Site Team, but are especially encouraged to attend the first two (October 26th and December 3rd) to hear Jonathan Lemaster.
